

What they are saying about St. Paul Peterson ...

“St Paul has been one of my favorite artists and bass players for so many years. It's wonderful finally seeing him on DVD. It shows how talented and funky he really is. Get ready to feel the FUNK.”

Victor Wooten

“Paul Peterson is undoubtedly one of THE funkiest as well as most talented musicians I've ever known OR heard, period!”

Vinnie Colaiuta

“There is great and there is Greatness. Greatness is the man, the sound, the soul, and the undeniable spirit of Paul Peterson.”

Sheila E.

“It's so great to hear musicality again - verses, choruses and bridges - in an era when such things are so few and far between. Paul is the total musician with a sound that can caress you or make you jump up and dance.”

Oleta Adams

“Paul as a writer, musician, and artist makes it all look so effortless. Everything he does is contagious... above all that, the character and the heart behind the talent is the greater part of Paul.”

Bryan White

“Paul is one of those rare, special musicians you seldom see in the music world...a guy who can do it all, and does it with style, elegance and extremely good taste. Music comes out of literally every pore on the man's body!”

Dave Koz

“Paul Peterson and I have been working together since 1989. I've put so much trust in his musical abilities over the years. Whether it be writing, arranging, producing or music directing... he is a great musician.”

Donny Osmond

“St. Paul is the funkiest dog in the pack. I can't overstate what a pleasure it is to work with this all-round great musician.”

Ben Sidran

“Paul is a real renaissance man. Great singer, bassist, keyboard-ist, and band leader ... Lucky for me he never got serious about the saxophone!”

Eric Leeds

“St. Paul is everything a musician can be: loaded with natural talent, great groove, spontaneous and easy to work with, well versed in modern music but hip to the old school, an innovator and multi-instrumentalist and awesome singer. Come to think of it, I kinda hate him.”

Will Lee

“Paul Peterson is very funky for a white person.”
